WINTER PROGRAMS

SEASON LONG PROGRAMS

If you're up for fun and learning we have a season long program just for you. Our winter programs for children, teens and adults begin on December 12th and runs through March 14th - offering you lots of time to learn the skills. Pay once and learn all season long. Whether you're in it just for fun or the thrill of competition, you'll find something that fits your needs at Hunter Mountain.

ADULT:

Hunter is packed with programs for adult skiers and boarders. These programs touch on the basics and fast track to the advanced. We ask that you be comfortable on all single **◆** to take part. Join in the fun on any one of the following:

See HunterMtn.com for program details.

CHILDREN:

Programs are suited for kids ages 4-17 who are comfortable on **●** and easy **■** terrain. We take great pride on our student to coach ratio, which insures that the needs of each child will be exceeded.

Mini Nights (age 4, **●**) / Mighty Nights (ages 5-6, **●**+) Junior Development+ (ages 7-17, **■**) Teen Pro Development (ages 13-17, **◆**)

Pricing for Children & Adult: Thru 10/18 - **\$599** Post 10/18 - **\$649**

Programs run from 9:20 am - 2:30 pm on weekends and holiday periods.

COMPETITION TEAMS - a program that grows as your child grows.

Our advanced level premier program is designed for skiers & boarders ages 7 to 18.

By combining ideal terrain, progressive coaching methods and well-rounded curriculum participants will learn in a *fun and positive environment* specific to their needs. Athletes who are new to a competition team program will undergo a two-week trial period, during which time the coaches will assess their skills and interaction with the others. Recommended pre-requisites include past experience with another racing program or previous enrollment in Hunter Mountain's Junior Development Program. Athletes on our competition teams actively compete and travel to other resorts.

Alpine - Coaches teach racing skills and fundamentals of competition. Training is focused on Slalom, Giant Slalom, Super G and Downhill techniques.

Freestyle - Skiers learn mogul technique, the fundamentals of competition, and upright aerials. Athletes actively compete and travel to other resorts.

Snowboarders - Hone their skills within four major disciplines: Slopestyle, Giant Slalom, Boardercross and Halfpipe.
